**RE: Fuel Excise Tax (FET) Distributor Report and Payment
Fuel Excise Tax (FET) Carrier Report**

Dear Sir or Madam:

Our goal this year is to mail out 100% of all finalized 2021 Navajo Nation FET Licenses on December 18, 2020. In order to meet this goal, we request all distributors and carriers to submit their November 2020 Distributor Tax Returns, manifests, and payments, and their November 2020 Carrier Reports by December 4, 2020.

We understand the original due date for Distributors is December 20, 2020, and for Carriers is December 25, 2020. We encourage you to work with your clients and your team to ensure the reports and payments are submitted to our office by the recommended due date, so we may issue your license by year end and make the transition into 2021 successful for your business.

If the company is unable to submit the distributor and carrier reports with payments by December 4th, it may hinder receiving your Navajo Nation FET License(s) by the end of 2020.

We look forward to working with you in attaining our goal. If you have any questions or concerns regarding this letter, please contact us at (928) 871-6681 and request to speak to a Tax Compliance Officer.

Sincerely,
